Frederick Indoor Sport Center Offers FREE Membership To College Students

Frederick, MD. Area college students now receive discounts and rewards from the Frederick Indoor Sports Center (FISC)—just for being a student. Effective January 5, 2015, any eligible student at Frederick Community College, Hood College and Mount St. Mary's University receives a FREE FISC ID card—a \$25 value! To obtain a card, students must visit the FISC Welcome Desk and provide two valid IDs including a driver's license and school ID badge.

FISC is a completely renovated 65,000 square-foot indoor sports and training venue featuring state-of-the-art playing conditions. An average of 15,000 adult and youth visitors go to FISC every week to play sports, take part in events or enjoy a meal at the Replay Café. Soccer, lacrosse, field hockey, flag football—even bubble soccer—are played year-round on its two professional turf fields.
