

FISC Adult Players,

The BIG announcement is here, ADULT LEAGUES WILL BE RETURNING August 31st - October 26th!! With that said, **we have a lot of information to share with everyone, so please read everything carefully!**

Fall 2020 League: We understand that not everyone is ready to get back to play, and that is just fine! We do ask those players who are ready to play to be patient with FISC. Depending upon the number of registrations we get for this new session will determine what teams and divisions will look like. We ask that you be accepting of any changes that may occur as we try to give you, our players, the best competition you desire. We thank you for your understanding and help during this process.

Contracts: ALL contracts have been cleared from the system. This means all players wishing to be on contracts must purchase a new one. Spring 1 players will receive 50% off their 2nd month of the contract to account for the unplayed games from the Spring 1 session.

Pay-Per-Session: ALL Spring 1 Pay-Per-Session athletes have a credit on their account in the equal amount for games not played. This credit can be used to purchase a contract or another pay-per-session.

Self Service Portal: FISC would like to introduce our new self service portal on our website. This portal will make purchasing a contract and registering for teams completely interaction free with FISC staff. Through this portal, players will be able to purchase and renew contracts with the facility (limited, VIP, MVP, and HOF). Players will also be able to type in what team they would like to be registered for. Pay-Per-Session packages will be available for purchase as well - these players will also be able to register for a specific team. A detailed video that will walk you through step by step instructions is provided here:

Email Campaigns: THIS IS YOUR ONLY DIRECT CONTACT WITH FISC!!! Please do not unsubscribe as you WILL miss important information about leagues and sessions. You CANNOT rely on your captain to pass the information along.

COVID Policy: Our new policies can be found here: [COVID POLICY](#) and on our website. Please read these over to help keep the facility and its patrons safe.

Adult League Policy: Our adult league policies can also be found here [ADULT LEAGUE POLICY](#) and on our website. We have added additional rules for team and player signup deadlines. Teams must be registered no later than 2 weeks before the start of a new session. And players must be registered to the team no later than 1 week before the start of the session. Teams must have a minimum of 10 players. Fees and penalties will be issued to teams that do not meet the player requirements by the 1 week deadline. Due to COVID - the Fall 2020 session will not impose those fees/penalties for not meeting the 10 player requirement. Teams and divisions may be changed to best benefit all players during the Fall 2020 session.
