

Thank you for your continued support as we try our best to give everyone the safest playing and viewing experience as possible... and most importantly, **WORK TOGETHER SO WE CAN STAY OPEN.**

Effective November 13, 2020 at 5pm, Frederick County adopted new safety protocols that we must uphold or we are subject to fines and/or mandatory closure. Therefore, we are immediately implementing the following updated COVID-19 FACILITY MANDATES:

- Masks are required for **ALL** athletes and spectators over the age of 5, unless they have a documentable medical condition
 - This means **masks must be worn AT ALL TIMES - NO EXCEPTIONS. If you refuse to wear a mask, you will be asked to leave the premises.**
- Limiting 1 spectator per athlete/player... **LIVEBARN.COM WILL BE AVAILABLE FOR OFFSITE STREAMING**
- Everyone must have their temperatures taken upon entry to the facility. For your convenience, we have automated thermometers mounted at the main entrance of the facility.
- Only show up no more than 10 minutes prior to your scheduled field time. And please follow arrows and markings on floor to maximize social distancing and flow of patrons.
- Do not congregate in common areas. After your scheduled field time, feel free to patronize The Upper Deck. But do not stand around in the lobby and walkways.
- **AS ALWAYS, STAY HOME** if you feel sick or have any symptoms, absolutely no spitting and **DO NOT FORGET TO WASH YOUR HANDS!**

IMPORTANT NOTE - WE ARE ALL IN THIS TOGETHER

- If at any point you see an area of improvement, you feel unsafe, or you feel that FISC is not doing it's absolute best to comply with the regulations to stop the spread of COVID, we kindly ask that you do the noble thing and **come to a FISC staff member first to express your concerns.**
- Please do not take photos of people in FISC as this infringes on their privacy and it is certainly not the quickest way to resolve issues. The best thing anyone can do is to express concerns directly to the people who can immediately impact and solve the issue at hand.
- We know you understand this and are a supportive part of the FISC family. Thank you so much for helping us stay open. We know the new policies are not ideal for anyone, but we **MUST** enforce them, **IT IS SIMPLY THE RIGHT THING TO DO FOR THE SAFETY, HEALTH AND WELL BEING OF US ALL.**

IF YOU TEST POSITIVE:

1. If you or your guest at the facility tests positive for COVID-19 or comes in direct contact with someone who has been positively diagnosed within the previous 14 days, is required to report diagnosis or exposure to FISC. All reports will remain anonymous and other players and staff that were potentially in contact with that person/player will be notified
2. To report a positive COVID-19 test to FISC, please text **POSITIVE** to 522-36 and complete brief form.

Our goal is to continue to offer our full range of programming. However, we cannot do that without our patrons help and compliance with the guidelines above. We hope you understand and will help us move forward!
