

WHERE IT'S ALWAYS
GAME ON!

Effective May 15, 2021, Maryland and Frederick County Governments along with the CDC updated and lifted more of the COVID-19 restrictions. Therefore, we are making changes to our COVID-19 safety protocols immediately.

1. Masks will no longer be required for individuals who are in compliance with CDC and State Government guidelines of being fully vaccinated. Masks are recommended for individuals who are not vaccinated. ([For Gov. Hogan's full press release click here](#))
2. FISC is able to operate at full capacity. Social distancing will no longer be enforced/required
3. Please continue to stay HOME if you feel sick or have any symptoms, and absolutely **no spitting on the fields/sidelines**

We ask that our patrons respect the decisions of others. We know not all our patrons vaccinated or not are comfortable without a mask. And that is okay! But we also ask that you respect the decision of our patrons that do not wear a mask.

What we will continue to do:

1. **LIVESTREAM** viewing options are still available through LiveBarn
2. Electrostatic sprayers will be used for additional cleaning
3. Additional air purifier fans have been placed around the facility
4. Foot kickers on restroom doors are installed
5. Continued partnership with Bioactive disinfecting on a regular basis
6. Entire facility is cleaned regularly
7. Cleaning high touch surfaces as much as possible

PLEASE CHECK WITH FISC TENANTS ON THEIR CURRENT COVID-19 PROTOCOLS

We thank you for your continued support through these difficult times. We are excited to continue to move forward and offer you as much programming as possible. We will see you at FISC!! IT'S GAME ON

- **Team FISC**
